It is the policy of the Diocese of Scranton to report any allegation of sexual abuse of a minor to law enforcement. If you are a victim of sexual abuse committed by a priest, deacon, religious or lay employee or volunteer of the Diocese of Scranton, you are encouraged to immediately report the matter to law enforcement. If any priest, deacon, religious, lay employee or volunteer of the Diocese of Scranton has cause or reason to suspect that a minor has been subjected to any form of abuse, including child sexual abuse, the matter will be reported to law enforcement.

It is also the policy of the Diocese to adhere to all civil and state regulations. In accordance with the Commonwealth of Pennsylvania's Child Protective Services Laws, reports of suspected child abuse should also be made immediately by phone to the 24-Hour Child Abuse hotline (ChildLine) at 1-800-932-0313 or electronically at www.compass.state.pa.us/cwis. To this end, the Diocese is equally committed to adhering to the norms of the Code of Canon Law and to upholding the tenets of the USCCB Charter for the Protection of Children and Young People, which includes supporting victims of sexual abuse in their pursuit of emotional and spiritual well-being. PRO-LIFE CORNER

Our Pro-Life Ministry meets on the third Tuesday of each month in the church hall after Holy Hour. The rosary will be said at 6:45 in church to end abortion. Next meeting is May 20th.

ROSARY FOR VOCATIONS--The Rosary will be prayed for vocations after daily mass.

BAPTISM CLASS

Our next Baptism class will be held on Wednesday, May 21, at 6pm in the church hall. Please call Lori to register at 570-287-6624.

CEMETERY CLEAN-UP TIME

It's that time of year to clean up the cemeteries and prepare for spring and grass-cutting season. We ask that you please remove all items (this includes wreaths, any artificial flowers, statues of any kind, candle or solar lights, and theme flags) from the gravesites as soon as possible, so we can prepare for Mother's Day. This does not include the American flag. This is not only a Diocesan Cemetery rule, but a safety issue. After this date, all items will be removed and discarded. Thank you for your cooperation.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert system because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
