OFFICE CLOSED ON MONDAY AND THURSDAY

Our parish office will be closed on Monday, May 26th, in observance of Memorial Day, and also on Thursday, May 29th in observance of the Holy Day, Ascension of the Lord.

Father John will take all emergency calls.

Please note that our **Mass on Memorial Day** is at **9am**.

Members of the Swoyersville VFW will be in attendance.

ASCENSION OF THE LORD

Thursday, May 29th, is the Ascension of the Lord, a Holy Day of Obligation. Masses are on Wednesday, 4pm vigil, and on Thursday at 9am and 6pm.

On this Memorial Day, we offer a prayer for those who died in service to our country.

In your hands, O Lord,
we humbly entrust our brothers and sisters.
In this life you embraced them with your
tender love; deliver them now from every evil
and bid them eternal rest.

The old order has passed away:
welcome them into paradise, where there
will be no sorrow, no weeping or pain, but
fullness of peace and joy with your Son and
the Holy Spirit forever and ever.
Amen

Please Note: Our **Confraternity of Christian Mothers** meeting for today, May 25th, has been canceled. Our next meeting will be Sunday, June 29th at 2pm.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert system because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
