FESTIVAL SPONSOR SIGNS: BUSINESSES, PARISHIONERS & FRIENDS,

DEADLINE FOR SPONSOR FORMS IS MONDAY, JUNE 30TH, UNLESS YOU ALREADY HAD A SIGN FROM PREVIOUS YEARS. THANK YOU!

The St. Elizabeth Ann Seton Summer Festival is July 10-11-12, and I'm asking local merchants, parishioners, & friends for their support. These sponsorships help with our upfront costs to prepare for the festival: food prep supplies, stand set-ups, prizes for the games & more. I am asking for your help with a Festival Sponsorship of $50 or more (* see form below). The sign will be placed on the grounds at the festival, which will be seen by hundreds of people in our community during the 3-day festival. If you can help us out this year, kindly fill out the form below & send it back with your donation in an envelope marked "SPONSOR". (If you have donated in the past, ***we thank you very much***, and hope you continue to support us. We already have your sign, and will be able to re-use that sign). **YOU MAY SPONSOR A SIGN FOR YOUR BUSINESS, OR IN MEMORY OF, OR IN HONOR OF A LOVED ONE.** Thank you & God's blessings, Fr. John

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
