

Dear Parishioner,

St. Elizabeth Ann Seton Parish has been growing over the past several years. This is evident by our Parish Census which we use frequently to contact you or attempt to contact you for important matters.

We have encountered some issues when we look up your information, namely, that in some circumstances, names, dates, numbers, etc., are missing from some of our data. To correct this and make sure we have the most up to date information on you and your family I ask you to take a few minutes to fill out a New Parish Data Census Form that is enclosed in this mailing.

All information is confidential and will be held with the strictest confidence. Please fill out all the information so that our census can be complete and return as soon as possible. The Diocese of Scranton uses this information (not your specific information, but the numbers) as well when they consider the health of a parish and consider the future pastoral needs of the parish.

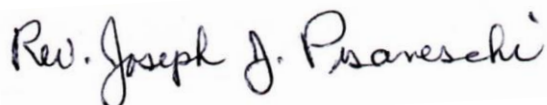

This form is online as well for any adult children who should be listed on their own to download and complete. Whether you are joining for the first time, rejoining or have been with us all along, please help us to get up-to-date information.

Finally, the electronic means of communicating with you has become vital in this fast-moving age. When we need to reach you, it is often to share important information that is crucial and time sensitive so please be sure we have all your household cell phone numbers and email if you have them.

Thank you in advance for your cooperation with this project. It will help us to serve you better and be better connected. Our Parish is blessed because of you. Please know you are an integral part of the fabric that makes up St. Elizabeth Ann Seton Parish.

May God continue to shower you with blessings this day and always.

In Christ's love,

Father Joe Pisaneschi

Pastor
